A replacement will occur if, as part of your purchase of a new life insurance policy, existing coverage has been, or is likely to be, lapsed, surrendered, forfeited, assigned, terminated, changed or modified into paid up insurance or other forms of benefits, loaned against or withdrawn from, reduced in value by use of cash values or other policy values, changed in the length of time or in the amount of insurance that would continue or continued with a stoppage or reduction in the amount of premium paid. Prior to completing a replacement transaction, you may want to contact the insurance company or agent who sold you the life insurance or annuity contract that will be replaced to help you decide whether the replacement is in your best interest.
