If you are not completely satisfied with the terms of the Certificate, you may return it, without claim, within 30 days. We will refund your entire premium contribution and invalidate your coverage.

Eligibility & Coverage Amounts

Eligibility

Members of the AAP and their lawful spouses who are under age 65, residents of the U.S. and not in military service may enroll for coverage. Members may also enroll their unmarried dependent children who are ages 14 days to 23 years (25, if a full-time student) and not in military service. Policy eligibility is contingent upon maintaining membership in the AAP.

Your Choice of Coverage Amount

AAP members may enroll for Principal Sums from \$100,000 to \$500,000 in \$25,000 increments. You may enroll your spouse for 50% of your Principal Sum.

You may enroll for \$1,000 of coverage for dependent children age 14 days to 6 months or for \$10,000 of coverage for dependent children age 6 months and 23 years (25, if a full-time student).

How the Plan Works

For an injury directly and independently caused by an accident while coverage is in force for you, your spouse or your child, the benefits specified below will be paid if such resulting loss(es) occur within 365 days of that accident.

Benefits are payable for the following losses:

FULL PRINCIPAL SUM for loss of: life; or two limbs; or movement of both upper and lower limbs (quadriplegia); or sight of both eyes; or both speech and hearing; or one limb and sight of one eye.

THREE-QUARTERS OF PRINCIPAL SUM for loss of: movement of both lower limbs (paraplegia).

ONE-HALF OF PRINCIPAL SUM for loss of: one limb; or movement of both upper and lower limbs on one side of the body (hemiplegia); or sight of one eye; or speech; or hearing.

ONE-QUARTER OF PRINCIPAL SUM for loss of: the thumb and index finger on one hand.

If more than one loss is sustained as the result of any one accident, New York Life will pay the larger amount to which you are entitled, not to exceed your Principal Sum. Loss of sight, speech or hearing means total and permanent loss thereof; loss of limb means severance through or above the wrist or ankle joint; loss of thumb and index finger means severance through or above the metacarpophalangeal joints; loss of movement of limbs means total and permanent paralysis thereof.

Standard Plan Features

Seat Belt Benefit

This plan includes a Seat Belt Benefit of 10% of the insured person's in-force coverage (up to \$25,000). The benefit is payable if you suffer a covered loss as a direct result of an automobile accident. To be eligible, you must have been properly wearing an unaltered, manufacturer-installed seat belt in the accident.

Common Carrier Benefit

If loss of life occurs as the result of a covered accident while a fare-paying passenger of a common carrier, an additional amount equal to the deceased person's Principal Sum (not exceeding \$250,000) will be paid to designated beneficiary(ies).

Surviving Spouse Benefit

If you or your insured spouse sustain an injury resulting in loss of life (as covered by the plan), New York Life will pay the surviving spouse an additional 0.5% of the deceased insured's Principal Sum per month for a maximum of 12 consecutive months or until the surviving spouse dies, whichever occurs first.

Education Benefit

If you have dependent child coverage in force and you sustain an injury resulting in loss of life (as covered by the plan), this benefit pays 2% of your Principal Sum up to \$5,000 per year for up to four years while a full-time student. Your dependent child must be enrolled, or be within 12 months of enrolling, as a full-time student at an accredited college or university.

Permanent Total Disability Benefit

You will receive a monthly benefit equal to 1% of your Principal Sum (up to your maximum, less any amount paid under the plan) for up to 48 months. You must be totally disabled from an injury occurring before turning age 65. Your disability must have commenced within 365 days of your injury and continue without interruption for at least 12 months. Your disability must also be reasonably expected to continue without interruption until you die.

Worldwide Coverage

Once your coverage is effective, you are protected wherever you travel—whether for business or personal—as long as you remain a U.S. resident².

Portability

Access to this plan is through your AAP membership. Unlike employer-based coverage, this plan is portable which means that if you change jobs, your coverage does not terminate. You only need to maintain your AAP membership in order to keep your coverage.

Summary of Terms & Conditions

When Coverage Begins

Coverage becomes effective on the first day of the month following the date your enrollment is approved, provided you pay the initial premium within 31 days after billing. You and your dependents, if proposed for coverage, must also be performing the normal activities of a person in good health of like age (Residents of NC: the requirement is "a person of like age" only) on the approval date. Any person who is not performing his or her normal activities as required will not become insured until the date he or she is performing such activities, provided such date is within three months of the date insurance would have been effective and the person is still eligible. Payment of a premium contribution does not mean coverage is in force.

When Coverage Ends

Your coverage will remain in force until the earlier of: a) you reach age 70; b) you fail to pay premiums when due; c) you discontinue your membership in the association; d) the Group Policy is terminated by New York Life or the Policyholder; e) the Group Policy is modified to exclude the class of insured in which you belong; f) you begin full-time active duty in the military, or; g) you elect to end coverage.

Spouse coverage ends on the premium date which coincides with or follows the earlier of: the date the member's insurance is terminated or the end of the premium-paying period during which a) the marriage ends in divorce or annulment; b) the spouse becomes an insured member; or c) the spouse turns age 70.

Dependent child coverage will end when the member's coverage ends (for reasons other than attainment of age 70). In addition, dependent child coverage will terminate when the child ceases to be an eligible dependent.

Upon the member's death, coverage for your insured spouse or dependent child may continue as described in the Certificate of Insurance.

Exclusions

No AD&D benefits will be payable for any loss that occurs during or is due or related to: suicide or attempted suicide or intentionally self-inflicted injury, while sane or insane; insurrection, riot, war or while in service as a full-time member of the military service of any country; the committing of, or the attempting to commit, an assault or felony or participation in (except as a victim) or incarceration resulting from an illegal occupation or activity; disease or disorder of the body or mind; medical or surgical treatment or diagnosis or preventive care; bacterial infection except when resulting from purely accidental circumstances; the taking of drugs, alcohol and intoxicants (unless taken as prescribed by a doctor or accidentally administered) travel in, travel on, fall or descent from any aircraft, unless while traveling solely as a passenger.
