As a member of the American Academy of Pediatrics, you have an opportunity others don't. The AAP Insurance Program has put together features on Long Term Disability Insurance that are among the best help protect your income, your family, and your obligations if you are unable to work.

Advocacy

For decades, the AAP Group Insurance Trust has been sponsoring customized plans to meet the needs of pediatricians. Our plan administrator, USI Affinity, employs a team to answer questions and help you understand your options. We're your advocate, and we work hard to understand and anticipate your needs as a pediatrician.

The AAP Group Insurance Trust and USI Affinity have gone through the paces of due diligence to ensure that you're getting coverage from a respected insurance carrier. This plan is underwritten by New York Life, a leading insurance provider who is rated A++ (Superior) by A.M. Best for financial strength and is a recognized leader in service and claims experience¹.

How the Plan Works

This coverage is designed to pay monthly benefits if you suffer a TOTAL DISABILITY³ while insured under the policy. You must be under the care of a licensed physician for your covered disability and not engaged in any occupation for pay or profit. Benefits are paid regardless of other insurance coverage you may have, and this coverage automatically renews for all insured persons, as long as applicable terms and conditions are met.

If your disability is the result of an injury, said injury must occur while you are covered under the Policy and result in a Total Disability within 365 days.

Your Choice of Monthly Benefit Amount

Apply for monthly benefit amounts between \$1,000 and \$10,000 in \$100 increments, not to exceed 75% of your AVERAGE MONTHLY INCOME⁴ up to a maximum of \$15,000 per month when combined with other insurance.

Your Benefit Period

For Total Disability due to a covered illness or accident incurred, benefits are payable for two years or to age 70, whichever is later. At age 65, your monthly benefit amount is reduced to 50% of the before-age-65 benefit, whether you are disabled or not. Premiums do not reduce.

The benefit period for disabilities that are due to mental disorders and/or chemical dependency is limited to two years.

Plan Features

Waiting Period

The Waiting Period is the number of consecutive days you must be Totally Disabled by a covered illness or accident before benefits begin. This plan gives you the flexibility to choose a Waiting Period that's most comfortable for you—60, 90, or 180 days. Premiums reduce if you choose a longer waiting period.

Own Occupation Coverage

This plan pays benefits directly to you if you are unable to perform the material and substantial duties of your profession during the waiting period and for the first 60 consecutive months of a claim. You may not engage in any occupation for pay or profit.

Residual Disability Benefit

If you return to your practice after a covered disability that began before age 65 for which you received benefits, you may be entitled to the Residual Disability Benefit, provided you are not earning more than 80% of your AVERAGE MONTHLY INCOME, for the six-month period before your Total Disability. This benefit is a percentage of the Total Disability Benefit, and it equals the percentage reduction in your monthly earnings. However, for each month that that your income is reduced by 75% or more, this plan will pay the full Total Disability Benefit. Please refer to your Certificate of Insurance for applicable conditions.

Residual Disability Benefit for Communicable Diseases

If you contract a communicable disease⁵, you may be eligible for these Residual Disability Benefits even though you are not Totally Disabled. In order to be eligible for the Residual Disability Benefit, you must be under age 65 and earning less than 80% of your average net monthly income due to contracting the communicable disease. Benefits will not begin until the applicable waiting period has been satisfied. Please refer to your Certificate of Insurance for applicable conditions.

Recurring Disability Benefit

If you experience successive periods of disability due to the same or a related cause—which is not separated by a return to FULL-TIME WORK for at least six consecutive months—this is considered one period of disability, as well as unrelated disabilities that are not separated by return to FULL-TIME WORK for at least one full day. If your disability meets these separation requirements, it will be treated as a new disability, subject to a new waiting period.

Survivor Benefit

Your beneficiary will receive a Survivor Benefit of up to three months of payment, each equaling your Monthly Benefit Option, if you die after receiving the Total Disability Benefit for at least 12 consecutive months.

Organ Donation Transplant Benefit

Once you have been insured under the Plan for six months, if you undergo a surgical procedure specific to organ donation transplant, you will be considered Totally Disabled and will be eligible for full benefits. No waiting period will apply, and benefits will be payable from the first day of Total Disability.

Worldwide Coverage

Once your coverage is effective, you are protected wherever you travel—whether for business or personal—as long as you remain a U.S. resident⁶.

Tax-Free Benefits

The benefits paid to you are tax-free, as long as you pay your own premiums with after-tax dollars. This is different than employer-paid coverage, which is considered earned income and is taxable at your normal tax rate. You should consult with your personal tax advisor for further information.

Waiver of Premium

It's good to know that your insurance will continue should you become totally disabled. Premium payments for your coverage will be waived if you become totally disabled for a period of at least six months. Please refer to your Certificate of Insurance for applicable conditions.

Portability

Access to this plan is through your AAP membership. Unlike employer-based coverage, this plan is portable which means that if you change jobs, your coverage does not terminate. Just maintain your AAP membership to keep your coverage.

30-Day Free Look

Once your coverage is approved, you will be sent a Certificate of Insurance summarizing your benefits under the Plan. If you are not completely satisfied with the terms of the Certificate, you may return it, without claim, within 30 days. We will refund your entire premium contribution and invalidate your coverage.
