

Group Term Life Insurance

for Employees of Members of the American Academy of Pediatrics

Underwritten by
New York Life Insurance Company

Nothing can replace the loss of a loved one. But life insurance could help provide the resources your family needs for a secure and comfortable future.

As an employee of a member of the American Academy of Pediatrics, you have an opportunity others don't. The AAP Insurance Program has put together valuable features on Group Term Life Insurance that help protect your family, your assets, and your legacy.

Affordability

The AAP Insurance Program gives you access to group buying power. Unlike plans you might find in the general market, you get the benefit of your group association. Plus, as part of a group plan, you can never be singled out for a rate increase.

Advocacy

For decades, the AAP Group Insurance Trust has been sponsoring customized plans to meet the needs of pediatricians. Our plan administrator, USI Affinity, employs a team to answer questions and help you understand your options. We're your advocate, and we work hard to understand and anticipate your needs as a pediatrician.

Stability

The AAP Group Insurance Trust and USI Affinity have gone through the paces of due diligence to ensure that you're getting coverage from a respected insurance carrier. This plan is underwritten by New York Life, a leading insurance provider who is rated A++ (Superior) by A.M. Best for financial strength¹ and is a recognized leader in service and claims experience.

30-Day Free Look

Once your coverage is approved, you will be sent a Certificate of Insurance summarizing your benefits under the Plan. If you are not completely satisfied with the terms of the Certificate, you may return it, without claim, within 30 days. We will refund your entire premium contribution and invalidate your coverage.

Eligibility & Coverage Amounts

Eligibility

Employees of members of the American Academy of Pediatrics who are under age 65 and residents of the U.S. may apply for coverage. You must be Actively at Work: actively engaged in the duties of your profession for at least 30 hours per week and have completed the 60-day waiting period. Policy eligibility is contingent upon maintaining membership in the AAP.

Your Choice of Coverage Amount

You may apply for \$50,000 or \$100,000 of coverage.

Features Included in the Plan

Accelerated Death Benefit

Sometimes there are circumstances when you may need added financial support while you're still living, and the Accelerated Death Benefit in this plan could help. If you are diagnosed with a terminal illness, you can request a one-time advanced payment of 50% of the in-force coverage².

Use this benefit payment for any purpose you choose—including additional medical expenses, personal care, and household expenses. Your beneficiaries still receive the remaining 50% of your death benefit. To qualify you must provide proof of terminal illness and have a life expectancy of 12 months or less. Premiums will not reduce.

Optional Plan Feature

Accidental Death & Dismemberment

No one likes to think it will happen to them, yet unintentional injuries are the third leading cause of death in the U.S.³ For an added premium, this optional AAP members-only benefit helps protect you anytime, anywhere in the world.⁴ Select an amount equal to your life insurance benefit.

Total benefits or a portion thereof is payable for accidental loss of life, limbs, sight, speech or hearing due to a covered injury. Please refer to your Certificate of Insurance for applicable conditions.

1: Third Party Ratings Report as of 7/25/2018.

2: Receipt of this benefit may affect your eligibility for public assistance programs and may be taxable. Prior to your request, you should consult with appropriate social service agencies and your tax advisor.

3: NCHS Data Brief: Mortality in the U.S., November 2018, U.S. Dept. of Health and Human Services Center for Disease Control and Prevention.

4: Subject to U.S. government regulations on restricted countries.

Summary of Terms & Conditions

When Coverage Begins

Coverage becomes effective on the first day of the month following the date your enrollment is received, provided you pay the initial premium within 31 days after billing and you are Actively at Work.
